The Department of Human Development and Psychological Counseling is responsible for organizing and providing instructional programs in counseling and other human development functions for public schools, colleges/universities, and various agencies.

The Department offers the Master of Arts in College Student Development (Major Code: 496*/13.1102), with two concentrations:

- College Counseling (496B)
- Student Affairs Practice (496C)

In addition, the Department of Human Development and Psychological Counseling offers the Master of Arts in Community Counseling, the Master of Arts in Marriage and Family Therapy, the Master of Arts in Professional School Counseling, and Graduate Certificates in Addiction Counseling and Expressive Arts Therapy. These programs are detailed under separate headings in this bulletin. A student proposing to major in any of the degree programs or to seek licensure through the Department must be fully admitted as degree seeking.

The Department of Human Development and Psychological Counseling offers the following courses:

HPC: human development and counseling courses

All courses are taught from a multicultural perspective, which emphasizes the differing experiences, cultures, histories, and perspectives of people from a variety of ethnic, gender, racial, and social class backgrounds.

The department also provides group methods, human relations, and other human development courses at the graduate and undergraduate levels for the Reich College of Education and the University. These courses are valuable for majors in other departments. The department offers a variety of summer institutes to enhance the learning of both graduate students and practitioners seeking continuing education opportunities in human service fields.

The College Student Development program is designed to prepare student development specialists to work in a variety of areas (residence life, career development, student activities, leadership, academic advising, etc.) within colleges and universities. Concentrations are available in College Counseling (496B) and Student Affairs Practice (496C).

Students majoring in College Student Development will take the courses listed in this section. Students must select one of the following concentrations: College Counseling (496B) or Student Affairs Practice (496C). In addition to the core and the required concentration courses, students will select, in cooperation with and approved by the student's advisor and program committee, from a variety of elective courses which will help meet their individual career objectives. Each student should see her/his advisor prior to registering. All electives must be approved by each student's program committee.

Accreditation: The master's degree program in College Student Development (College Counseling concentration) is accredited by the Council for Accreditation of Counseling and Related Educational Programs (CACREP), a specialized accrediting body. Graduates are immediately eligible to take the examination of the National Board for Certified Counselors, Inc. to become National Certified Counselors. The program in College Student Development (Student Affairs Practice concentration) is designed to meet the curriculum guidelines of the Council for the Advancement of Standards in Higher Education (CAS).

Master Of Arts Program Requirements/Options: The basic requirements for the program are listed below. In addition to the curriculum listed under each program, these eight items apply to the College Student Development, Community Counseling, Marriage and Family Therapy, and Professional School Counseling programs.

1. A first master's degree in Community Counseling (non-thesis option) requires completion of a minimum of 60 semester hours of approved courses. A first master's degree in College Student Development (non-thesis option), Marriage and Family Therapy, and Professional School Counseling requires completion of a minimum of 48 semester hours of approved courses.
2. A thesis option requires a minimum of 38 semester hours of approved course work plus thesis hours (4 s.h.) = 42 s.h. total except the Community Counseling program which requires a minimum of 50 s.h. of approved course work plus thesis hours (4 s.h.) = 54 s.h. total. The thesis option for Marriage and Family Therapy requires a minimum of 48 semester hours of approved course work plus thesis hours (4 s.h.) = 52 total hours.
3. A second master's degree requires meeting all program course requirements with a minimum of 36 semester hours.
4. Students in CACREP approved programs in the department must meet for a minimum of 10 clock hours in a planned group activity intended to provide direct experiences as a participant in a small group. This requirement is met during HPC 5790 and/or HPC 6720.
5. On an individual basis, students may be required to receive professional counseling to aid them in their personal growth.
6. The Handbook of Policies and Procedures available in the HPC office provides information on liability insurance, academic appeals, retention policy, personal endorsement policy, admissions policies, and placement services.
7. Permission forms to take practica and internships are available in the HPC office and must be completed prior to registration.
8. Applicants for programs in College Student Development, Marriage and Family Therapy, and Professional School Counseling are required to take the Graduate Record Exam (GRE) and have an interview, which can be conducted by telephone if the applicant cannot visit campus. The program in Community Counseling requires the Graduate Record Exam (GRE).
