The Department of Economics offers course work at the graduate level in support of the Walker College of Business degree programs.

Courses in the following disciplines are offered through the Department of Economics:

ECO: economics courses

Prerequisite to enrollment in a graduate course offered by the Department of Economics is admission to a graduate program of study, admission to a graduate certificate program, or permission of the instructor and the departmental chair. In addition, enrollment in MBA courses requires permission of the MBA Program Director. A non-degree student must obtain permission from the Graduate School to enroll in 5000-level courses.

The Department of Economics also participates in a graduate program leading to the Master of Arts degree in Social Science, Education (Major Code: 282*/13.1317) with a concentration in Secondary School (Advanced Licensure)/Economics (282S)[T].

GRADUATE COURSES IN ECONOMICS (ECO)

ECO 5150. Business Economics/(3).F. Intensive study of economic decision techniques for management. Topics include estimation of demand and cost function, analysis of economic forecasts and business cycles, analysis of price and non-price competition, allocation and distributional effects of regulation, taxation, and fiscal and monetary policy, cost-benefit and cost effectiveness analyses for the not-for-profit sector. Primary emphasis will be placed on the understanding and application, rather than the theoretical and computational aspects, of these techniques. Prerequisite: admission to the MBA Program or permission approved by the Assistant Dean for Graduate and International Programs in the Walker College of Business.

ECO 5500. Independent Study/(1-4).F;S.

ECO 5530-5549. Selected Topics/(1-4).F;S.

ECO 5989. Graduate Research/(1-9).F;S. This course is designed to provide access to University facilities for continuing graduate research at the master's and specialist's levels. Graded on an S/U basis. ECO 5989 does not count toward a degree.
